Presidents of Organizing Comitee

Dobro došli u Zagreb, glavni grad Republike Hrvatske! Zagreb je stari srednjoeuropski grad. Stoljećima se razvijao kao bogato kulturno i znanstveno te snažno trgovačko i gospodarsko središte. Nalazi se na sjecištu važnih prometnica između jadranske obale i srednje Europe.

Kada je 1991. godine hrvatski narod ostvario državnu samostalnost, Zagreb postaje glavnim gradom, političkim i upravnim središtem Republike Hrvatske.

Zagreb je i poslovno središte, sveučilišni centar, grad kulture, umjetnosti i zabave. Iz Zagreba potječu i u njemu djeluju mnogi glasoviti znanstvenici, umjetnici i sportaši.

Svojim gostima Zagreb nudi barokni ugođaj Gornjega grada, slikovite tržnice na otvorenom, raznovrsne trgovine i bogat izbor obrtničkih proizvoda, ukusnu domaću kuhinju. Zagreb je grad zelenih parkova i šetališta, s brojnim izletištima u prekrasnoj okolini.

U treće tisućljeće Zagreb ulazi kao milijunski grad. Unatoč brzom razvoju gospodarstva i prometa, sačuvao je osebujnu ljepotu i ugođaj opuštenosti, što ga čini pravim gradom po mjeri čovjeka.

Welcome to Zagreb, the capital city of the Republic of Croatia. Zagreb is an old Central European city. For centuries it has been a focal point of culture and science, and now of commerce and industry as well. It lies on the intersection of important routes between The Adriatic coast and Central Europe.

When the Croatian people achieved their independence in 1991, Zagreb became a capital - a political and administrative centre for the Republic of Croatia.

Zagreb is also the hub of the business, academic, cultural, artistic and sporting worlds in Croatia.

Zagreb can offer its visitors the Baroque atmosphere of the Upper Town, picturesque open-air markets, diverse shopping facilities, an abundant selection of crafts and a choice vernacular cuisine.

Zagreb is a city of green parks and walks, with many places to visit in the beautiful surroundings.
